Subject: Statement of Cooperation

Mitsubishi Turbocharger and Engine Europe B.V., a 100% subsidiary of Mitsubishi Heavy Industries, and a manufacturer and sales & service office of Mitsubishi diesel and gas fired generating sets, hereby confirms that its products are distributed through a distributors network.

Mitsubishi Turbocharger and Engine Europe B.V., confirms that "HITED-Energetika Ltd" is part of its distribution network and is authorized to import, sell and distribute Mitsubishi branded generating sets, spare parts and other accessories in the Russian Federation, Ukraine and Republic Kazakhstan by virtue of a legal agreement ("Sales & Service Distribution Agreement") commencing on October 14th 2013.

As needed, HITED can draw upon direct technical experience and support from personnel based in Almere, Netherlands.

Furthermore, Mitsubishi Turbocharger and Engine Europe B.V., confirms that HITED-Energetika Ltd is authorized to install, maintain, repair and provide warranty services on our full range of Mitsubishi branded power generating equipment in accordance with the Distributor Warranty and Aftersales Policy Manual.
